

## CONFIDENTIALITY AGREEMENT

**mediate first™** has been appointed to provide mediation to help resolve the dispute between

.....

and

.....

During the Mediation process it will be necessary for the sharing of confidential information.

I agree to keep strictly confidential and not use for any other purpose:

- the knowledge that the Mediation is to take place
- all information which I receive before or during the mediation session
- the fact that either party may or may not indicated a willingness settle the dispute

As the mediation is 'without prejudice' neither the mediator nor **mediate first™** can be called to any subsequent litigation or arbitration resulting from the unresolved dispute
